Day 1 - Sunday, July 7

Depart from the Target parking lot in Davis at 8:00 am and begin your journey back in time. Spend the day in Virginia City enjoying the history, shops, museums, restaurants and saloons. In its heyday, Virginia City was "the place" for arts and culture. It boasted visiting celebrities, a Shakespearean theatre and two newspapers (one of which is where Mark Twain began his famous writing career). Board the V&T Railroad mid afternoon and travel the scenic route through the Virginia Range and see American Flat - site of a once-bustling mining town. V&T Railway has been seen on over 200 films and television shows. Check in the Shilo Inn in Mammoth Lakes for a two night stay. Luggage handling is not provided, so please pack lightly. Evening at leisure.

Day 2 - Monday, July 8

Enjoy breakfast at the hotel this morning before departing for your guided tour of Bodie State Historic Park. Spread across the landscape of a high, remote valley of the Bodie Hills, this historic gold mining town was one of the richest gold strikes in California and was once known as the most lawless, wildest and toughest mining camp in the West. Walk the streets of this ghost town and peer into the windows of the remaining homes, businesses and sites is to be transported back to the days when Bodie was a thriving mining town. Lunch will be provided today by Erick Schat's Bakkerly in Bishop - Home of the original Shepherd Bread. Dinner tonight will be Convict Lake Resort. (B,BL,D)

Day 3 - Tuesday, July 9

Depart Mammoth this morning for a day of sightseeing in Yosemite National Park. Yosemite, "Jewel of the Sierra", is described as home of the most beautiful streams, the loftiest granite domes, the noblest forests and deepest ice-sculptured canyons in the world. View the scenic highlights, including El Capitan, towering 7,569 feet above the Merced River; Yosemite Falls, the second largest waterfall in the world; Bridalveil Falls, whose roaring torrents cascade down towering cliffs; and the geologically-fascinating Half Dome. Return to Davis at approximately 7:00 pm. (B,BL)
