The true story of a small town in Newfoundland that welcomed 6,500 passengers who were stranded together in the aftermath of 9/11 and during the days in which the entire United States' airspace was shut down. "Come from Away" tells of how the people of Gander opened up their hearts and their homes to host this international community of strangers from across the globe, of every ethnicity, faith and type. Cultures clashed and nerves ran high, but uneasiness turned to trust, music soared into the night, and gratitude grew into enduring friendships. Don't miss this breathtaking new musical written by Tony nominees Irene Sankoff and David Hein. It will take you to a place you never want to leave. On 9/11, the world stopped. On 9/12, their stories moved us all. Lunch before the performance will be at Pompei's Grotto on Fisherman's Wharf (see reverse for full menu). Depart from the Target parking lot in Davis at 9:45 am and return at approximately 6:00 pm.
