 All West Transportation
 Docent Tour of Filoli House & Gardens

Depart from the Target parking lot in Davis at 8:00 am and travel to Filoli Gardens in Woodside. Filoli is the last of the grand California estates created during the Golden Age of the early 20th Century and the longest surviving one. Designed and built between 1915 and 1917, Filoli is set against the dramatic backdrop of the Santa Cruz Mountains. Enjoy a docent tour of the 43-room mansion and 16 acres of themed formal gardens. This is a wonderful place to enjoy the day in the beautiful countryside. The house was the summer home of William Bourn, who built the empire mine. Enjoy your gourmet Boudin's box lunch in a peaceful, beautiful setting (please see reverse). Be sure to visit the gift shop for unique gardens items. Return to Davis at approximately 6:00 pm.
