Admission to Filoli Gardens

Filoli House and Gardens is one of the prettiest places to visit on a Fall day. Filoli which means "Fight, Love & Live, was built for Mr. and Mrs. William Bourn II, prominent San Franciscans, whose chief source of wealth was the Empire Mine in Grass Valley. Take a self guided tour of the bottom floor of the estate to appreciate the old style glamour, history and impressive interior design. Stroll through the stunning gardens rich with fall colors and decorated for the season. See vines against the red brick, colorful clusters of blooming flowers, gorgeous fountains and hopefully, Percy the Peacock in all his glory. Lunch is on your own today in the Quail's Nest Café. Depart from the Target parking lot in Davis at 8:00 am and return at approximately 6:00 pm.
