Spend the day exploring the spacious and spectacular San Francisco Museum of Modern Art, which holds an internationally recognized collection of modern and contemporary works. It was also the first museum on the West Coast devoted solely to 20th-century art. The museum's current collection includes over 33,000 works of painting, sculpture, photography, architecture, design and media arts. See the works of Bay Area artist Wayne Thiebaud, who worked first as a graphic designer and cartoonist before beginning his painting career in the mid-1950's. Thiebaud is best known for his paintings of cakes, pies, and candies arranged in classic diner or cafeteria style. He achieved this effect through serial repetition, synthetic colors, and famously, by painting with a knife, as if he were spreading the "frosting" onto his cakes. Depart the Target parking lot in Davis at 8:30 am and return at approximately 4:30 pm.
