Driver & All Gratuities

Discover wildest Africa in the heart of the wine country. At Safari West, it's an adventure as you journey out in the herds of wildebeest, romping rhinos and towering giraffes. From ring-tailed lemurs to dazzling zebra, nearly 1,000 animals with over 90 unique species are roaming through the 400 acre preserve. Safari West was born in the late 1980's when a man by the name of Peter Lang purchased 400 rolling acres in the foothills of the Mayacamas Mountains. Relocating his small but growing collection of exotic wildlife, Peter quickly converted the former cattle ranch into a world class conservation breeding facility. On October 8, 2017, the disaster of the Tubbs Fire struck, leaving heartbreak and devastation to Sonoma County. While his home burned, Peter and his employees stayed back to save all the animals. He stated "I put those animals here, I couldn't leave them". Safari West Wildlife Preserve, like so many others, is coming back stronger than ever. Depart from the Target parking lot in Davis at 9:00 am and return at approximately 5:30 pm.
