

# Davis Travelaires presents:

## China Camp State Park (San Rafael) & Sausalito Wednesday, June 15, 2022

China Camp State Park, nestled along San Pablo Bay, is the site of a once-thriving Chinese shrimp fishing village. During the settlement's 1880s heyday, nearly 500 people lived here and processed three million pounds of shrimp per year, exporting nearly all of the catch to China. We will enjoy a guided tour of the remaining village buildings and hear the story of these hardy fishermen. We will then take the bus to the park's intertidal salt marsh to learn about the abundance of birds and other wildlife. We will end the day in Sausalito for lunch on your own and self-guided exploring. This picturesque town offers stunning views of San Francisco and the Golden Gate Bridge and a historic houseboat community, built after WWII by artists and other free spirits.
