

**Davis Travelaires presents:  
Duarte Poinsettias (near Modesto) and Pageo Lavender Farm (Turlock)**

**Monday, November 14, 2022**

Join us for our popular seasonal trip to Duarte Poinsettias, where you will be able to purchase beautiful flowers to add festive cheer to your space. Duarte grows more than 60,000 poinsettias in their state-of-the-art greenhouses so you can be sure that you're receiving the best quality plants that will be colorful all winter long. You can choose to participate in a brief informative talk at Duarte before browsing or go straight to shopping. **NOTE: Duarte accepts cash or check only.** We will also visit Pageo Lavender Farm, which grows and harvests the lavender used in its handmade products. We will enjoy an informative talk about the farm, eat lunch, and have time to shop in their gift shop full of fragrant products and gifts. See the lunch menu on the back.

Bus departs at **9:40 a.m.** from **University Retirement Community** and **10 a.m.** from **Davis Target**. Return to Target at 5:15 and URC at 5:30 p.m.

Register online with a credit card or complete the coupon and return it with your check. Must provide proof of COVID-19 vaccine. If you haven't already, upload photo of vaccine card when registering online or send a copy to the Travelaires office at least two weeks prior to the trip.
