

Davis Travelaires presents: Historic Petaluma (in Sonoma County)

Wednesday, May 24, 2023

Petaluma, one of California's oldest cities, was a bustling river port during the 1800's Gold Rush. Spared from much of the destruction of the 1906 earthquake, the downtown boasts architectural gems that house specialty shops, restaurants, and galleries. The town later became known as the "the world's egg basket," after the first practical incubator was invented there, spawning a thriving produce industry. Several movies have been filmed in downtown Petaluma, including "American Graffiti." We will visit the Petaluma Library and Historical Museum to view a special exhibit commemorating the 50th anniversary of "American Graffiti," then take a historical walking tour and enjoy free time to have lunch on your own and explore the charming downtown district.
