A cruise along the Napa River in a Dolphin Charter boat is like a voyage into the past. Beginning at historic Vallejo, this cruise continues along the waterfront of Vallejo and Mare Island. Once beyond Vallejo, you enter a different world, one of vineyards, agriculture, backwater homes and marinas. Some of the largest contiguous marshes in California are located along the Napa River, which creates an abundance of bird life. View Osprey and Egrets attending to their nests or roosting in nearby trees and diving ducks and grebes may be seen feeding in the river and the marina. Croissant sandwiches will be served along the way with your choice of Turkey, Roast Beef or Seafood. Depart from the Target parking lot in Davis at 8:30 am and return at approximately 3:00 pm.
